

## **WELCOME STORY**

The NBL is back again, and Craigieburn and Melbourne United have joined forces to provide you and your family with awesome benefits just for being a part of this club.

As part of our partnership with Melbourne United, we have access to 20% off tickets for players, families, coaches and staff throughout the season. On top of those incredible ticket savings, if our club has the most fans attending games for the entire season, a money can't buy experience will be coming our way.

That prize is a GAMETIME by Kmart visit (formerly known as *You Got Skoold*) from the Melbourne United players! This will see our Craigieburn junior representatives going head to head against one of the greatest NBL rosters ever assembled.

United have put together a roster that is sure to bring Melbourne basketball fans to their feet at Hisense Arena. 2016-17 NBL MVP Runner-Up Casey Prather has joined the squad, whilst fan favourites Chris Goulding, Kyle Adnam and David Anderson are all suiting up once again.

Superstar point guard Casper Ware and dominant big man Josh Boone have also returned to help take basketball to a whole new level in Melbourne.

The NBL has never been better - teams are loading up as they search for Championship glory. There is Boomers galore and plenty of imports that will set the league alight.
