CHURCHWIDE

Happy Founders Day Union Chapel!

On October 4, 1933 Union Chapel Missionary Baptist Church was organized in the home of Rev. O. D. Boone and wife Lucy Boone on Blue Spring Road, Huntsville, Alabama. We Praise God for Ninety-One years of providing service to the people in the Huntsville/Madison County Communities.

October has long been recognized worldwide as Pastor Appreciation Month, or Clergy Appreciation Month.

The call to honor our church leaders' contributions can be traced back to St. Paul. In establishing the first Christian churches, St. Paul advised the congregation to give "double honor" to the elders of the church who managed the affairs of the church well, "especially those whose work is preaching and teaching" (1 Timothy 5:17).

Sunday, October 13, 2024

Breast Cancer Awareness Day here at the church. We will celebrate breast cancer survivors and honor loved ones who have gone home to be with the Lord. Ladies wear your pink and men can also wear pink or blues ties. Join the church in the side yard for the annual balloon release lead by Pastor Davis and the Deacons.

Donuts will be served in the fellowship hall.

Day of Giving – October 20, 2024

Please join Pastor O. Wendell Davis and the Board of Directors of the Union Chapel Christian Academy Foundation, Inc. in celebrating the "Annual Day of Giving" for our beloved Christian Academy! **This year's "Day of Giving" is Sunday, October 20, 2024,** and the signature event of our Annual Giving Program. The Annual Giving Program was established in 2013 to raise funds to enhance academic and non-academic programs and provide scholarships to academically talented and disadvantaged students to attend the Academy.

The students and faculty of our Academy have been so richly blessed by the generosity of our "giving partners", like you, and we are so blessed that you are willing to continue the generosity! Please make your check payable to Union Chapel Christian Academy Foundation (UCCAF) or notate UCCAF on your donation. **All gifts are tax-deductible and donor gifts of \$1,000 and above will be listed on the O. Wendell Davis Wall of Honor.** God Bless you for your generous spirits and gifts! We look forward to greeting you on our "Annual Giving Day", Sunday, October 20, 2024

Health Awareness for OCTOBER

It is hard to believe that we are nearing the month of October. Each year here at the church, we highlight Breast Cancer Awareness. The importance of this event is highlighted by the following facts.

1. Breast cancer is the most frequently occurring female cancer after skin cancer.
2. One in eight women (about 12%) will develop invasive breast cancer during her lifetime.
3. A woman is diagnosed with breast cancer every two minutes in the U.S.
4. Of women diagnosed with breast cancer, 76 percent have NO known risk factors.
5. Although rare, men are also at risk for breast cancer.

The main focus for this year is the importance of yearly mammograms. Check with your PMD on when to schedule your test.

Let's show unity on this matter by once again wearing your pink attire on the second Sunday in October. Men are welcome to wear blue as a show of solidarity. Show up on **PINK SUNDAY**. Diana Douglas, Wellness Ministry Coordinator (256) 682-4545

Children's Health Month 2024

Theme: Growing Healthy, Growing Happy

- ***National Lead Poisoning Prevention Week*** – Get the facts. Get your child tested. Get your home tested.

Planning Ahead – October 27-31st

- eparing now for future challenges.

What You Can Do to Protect Children from Environmental Risks

Listed below are tips to help protect children from environmental risks.

Keep pesticides and other toxic chemicals away from children

- ***Store food and trash in closed containers to keep pests from coming into your home.***
- Use baits and traps when you can; place baits and traps where kids can't get them.
- Read product labels and follow directions.
- Store pesticides and toxic chemicals where kids can't reach them – never put them in other containers that kids can mistake for food or drink.
- Keep children, toys, and pets away when pesticides are applied; don't let them play in fields, orchards, and gardens after pesticides have been used for at least the time recommended on the pesticide label.
- Wash fruits and vegetables under running water before eating - peel them before eating, when possible.

Protect children from chemical poisoning

If a child has swallowed or inhaled a toxic product such as a household cleaner or pesticide, or gotten it in their eye or on their skin

- Call 911 if the child is unconscious, having trouble breathing, or having convulsions.
- Check the label for directions on how to give first aid.
- Call the Poison Control Center at 1-800-222-1222 for help with first aid information.

Help children breathe easier

- Don't smoke and don't let others smoke in your home or car.
- Keep your home as clean as possible. Dust, mold, certain household pests, secondhand smoke, and pet dander can trigger asthma attacks and allergies.
- Limit outdoor activity on ozone alert days when air pollution is especially harmful.
- Walk, use bicycles, join or form carpools, and take public transportation.
- Limit motor vehicle idling.
- Avoid open burning.
- Limit outdoor activity on poor air quality days.
- **Check your air quality at AirNow.**

Protect children from lead poisoning

- **Get kids tested for lead by their doctor or health care provider.**
- Test your home for lead paint hazards if it was built before 1978.
- Wash children's hands before they eat; wash bottles, pacifiers, and toys often.
- Wash floors and window sills to **protect kids from dust and peeling paint contaminated with lead** - especially in older homes.
- Run cold water until it becomes as cold as it can get. Use only cold water for drinking, cooking, and making baby formula.

Protect children from carbon monoxide (CO) poisoning

- Have fuel-burning appliances, furnace flues, and chimneys checked once a year.
- Never use gas ovens or burners for heat; never use barbecues or grills indoors or in the garage.
- Never sleep in rooms with unvented gas or kerosene space heaters.
- Don't run cars or lawnmowers in the garage.
- Install in sleeping areas a CO alarm that meets UL, IAS, or Canadian standards.
- **Read about CO's impact on indoor air quality.**

Protect children from contaminated fish and polluted water

- Be alert for local **fish advisories** and **beach closings**. Contact your local health department.
- Take used motor oil to a recycling center; properly dispose of toxic household chemicals.
- Learn what's in your drinking water - call your local public water supplier for annual drinking water quality reports; for private drinking water wells, have them tested annually by a certified laboratory. Call 1-800-426-4791 for help.

Safeguard children from high levels of radon

- **Test your home for radon with a home test kit.**
- Fix your home if your radon level is 4 pCi/L or higher. For help, call your **state**

radon office or 1-800-SOS-RADON.

Protect children from too much sun

- Wear hats, sunglasses, and protective clothing.
- Use sunscreen with SPF 15+ on kids over six months; keep infants out of direct sunlight.
- Limit time in the mid-day sun - the sun is most intense between 10 AM and 4 PM.
- Keep children and mercury apart
- Eat a balanced diet but avoid fish with **high levels of mercury**.
- Replace mercury thermometers with digital thermometers.
- **Don't let kids handle or play with mercury.**
- Never heat or burn mercury.
- Contact your state or local health or environment department if mercury is spilled - never vacuum a spill.

I Am Thine, O Lord

1. I am Thine, O Lord, I have heard Thy voice,
And it told Thy love to me;
But I long to rise in the arms of faith,
And be closer drawn to Thee.

(Refrain)

2. Consecrate me now to Thy service, Lord,
By the pow'r of grace divine;
Let my soul look up with a steadfast hope,
And my will be lost in Thine.

(Refrain)

3. O the pure delight of a single hour
That before Thy throne I spend;
When I kneel in prayer, and with Thee, my God,
I commune as friend with friend!

(Refrain)

4. There are depths of love that I cannot know
Till I cross the narrow sea;
There are heights of joy that I may not reach
Till I rest in peace with Thee.

(Refrain)

Refrain:

Draw me nearer, nearer, blessed Lord,
To the cross where Thou hast died;
Draw me nearer, nearer, nearer, blessed Lord,
To Thy precious, bleeding side
