As a part of an ongoing drive for the month of June, UCMBC and the **Writing Your Life Ministry are asking you to donate Christian literature that can be provided to third world countries. The literature needed includes new and/or used Bibles (KJV, NKJV, NIV, ERV etc.), Sunday school books, copies of The Word for You Today and other devotionals.** Outdated materials and those with handwritten notes and highlighting are acceptable. Remember that people around the world are hungry for God's Word. For more information and to watch the video visit <https://lovepackages.org>

Lift Every Voice and Sing

Lift every voice and sing,
Till earth and heaven ring,
Ring with the harmonies of Liberty,
Let our rejoicing rise
High as the list'ning skies,
Let it resound loud as the rolling sea.
Sing a song full of the faith that the dark past has taught us
Sing a song full of the hope that the present has brought us
Facing the rising sun of our new day begun,
Let us march on till victory is
won.
Stony the road we
trod,
Bitter the chast'ning rod,
Felt in the days when hope unborn had died;
Yet with a steady beat,
Have not our weary feet,
Come to the place for which our fathers sighed?
We have come over a way that with tears has been watered,

We have come, treading our path thro' the blood of the slaughtered,
Out from the gloomy past, till now we stand at last
Where the white gleam of our bright star is cast.

God of our weary years,
God of our silent tears,
Thou who hast brought us thus far on the way;
Thou who hast by Thy might,
Led us into the light, Keep us forever in the path, we pray.
Lest our feet stray from the places, our God, where we meet Thee,
Lest our hearts, drunk with the wine of the world we forget Thee;
Shadowed beneath Thy hand, may we forever stand,
True to our God, true to our native land.

BLACK HISTORY IS AMERICAN HISTORY

When Was Thurgood Marshall Born?

Marshall was born on July 2, 1908, in Baltimore, Maryland, to William Marshall, railroad porter, who later worked on the staff of Gibson Island Club, a white-only country club and Norma Williams, a school teacher. One of his great-grandfathers had been taken as a slave from the Congo to Maryland where he was eventually freed. Marshall graduated from Lincoln University in 1930 and applied to University of Maryland Law School – he was denied admission because the school was still segregated at that time. So Marshall matriculated to Howard University Law School where he graduated first in his class and met his mentor, Charles Hamilton Huston, with whom he enjoyed a lifelong friendship. In an interview published in 1992 in the American Bar Association Journal, Marshall wrote that “Charlie Houston insisted that we be social engineers rather than lawyers,” a mantra that he upheld and personified.

“Equal means getting the same thing, at the same time, and in the same place.”
