

**Union Chapel Missionary Baptist Church
Sunday, August 8, 2021**

"Therefore if you have any encouragement from being united with Christ, if any comfort from his love, if any common sharing in the Spirit, if any tenderness and compassion, then make my joy complete by being like-minded, having the same love, being one in spirit and of one mind. ³ Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves, ⁴ not looking to your own interests but each of you to the interests of the others." Philippians 2:1-4 NIV

HEALTH AWARENESS-AUGUST

National Immunization Awareness Month (NIAM) is an annual observance held in August to highlight the importance of vaccination for of all ages.

Vaccines are recommended for adults based on age, health conditions, job, and other factors.

Why Vaccinate?

Parenting is an amazing, but often challenging, journey. With every milestone, you face new questions. How can you keep your child safe? How can you help them grow? The right choices aren't always clear. Like many parenting topics, vaccination can feel overwhelming at first. The good news is there are clear recommendations, backed by extensive research.

- v. Vaccination is a highly effective, easy way to keep your family healthy.
- v. On-time vaccination throughout childhood is essential because it helps provide immunity before children are exposed to potentially life-threatening diseases.
- v. Vaccines are tested to ensure that they are safe and effective for children to receive at the recommended ages.
