Health Awareness for the Month of May: High Blood Pressure/Stroke/Mental Illness/Arthritis

High Blood Pressure

By living a healthy lifestyle, you can help keep your blood pressure in a healthy range. Preventing [high blood pressure](#), which is also called hypertension, can lower your risk for [heart disease](#) and [stroke](#).

Stroke

- Stroke is the **No. 2 cause of death worldwide** and a leading cause of disability. The American Stroke Association is a relentless force for a healthier world with fewer strokes and a division of the American Heart Association.
- Stroke, the **fifth leading cause of death in the United States**, can happen to anyone at any time.
- Stroke is the **No. 4 cause of death in women** and kills more women than men. In fact, one in five women has a stroke.
- African Americans are 50% more likely to have a stroke (cerebrovascular disease), as compared to their white adult counterparts
- Black men are 70% more likely to die from a stroke as compared to non-Hispanic whites
- African American women are twice as likely to have a stroke as compared to non-Hispanic white women

Stroke Symptoms: **By learning and sharing the F.A.S.T. warning signs, you just might save a life from stroke.**

Arthritis

- Arthritis is one of the most widespread health conditions in the United States. It affects about one in four adults overall.
- Arthritis affects working-age adults, older adults, and even children.

Mental Health

During [Mental Health Awareness Month](#), NAMI (National Alliance on Mental Illness) joins the mental health community to reaffirm our commitment to building our understanding of mental illness, increasing access to treatment and ensuring those who are struggling know they are not alone.

Assistance for COVID 19 Vaccination signup

The Young Women Ministry is assisting persons, especially seniors, to register to take the COVID 19 Vaccination. If you need assistance, please call 256-828-5176 or 256-682-9860. If you don't receive an answer, please leave your name and phone number. You will be contacted to get appropriate information. The contact person will sign up the applicant and provide additional information that will assist.

The Alabama COVID-19 Vaccination Allocation Plan outlines the various phases, and is available here:
