It is part of our duty to all Veterans and their families to ensure that everyone can exercise the right to vote that veteran's fought for and served to protect. The purpose of this meeting is to inform and learn more about the delayed publication of the Voter List to the population according to the 2020 U.S. Census (85 locations), voter registration list eligibility and list of poll workers and much more as it pertains to all of us as property owners and registered voters.

Masks are required for entrance to the Church. You can pre-register or show proof of vaccination by bringing your COVID Vaccination Card to the Church Office any day during the week (office hours 8 a.m. - 4 p.m.).

HEALTH AWARENESS FOR APRIL - NATIONAL MINORITY HEALTH MONTH

Every April, the HHS Office of Minority Health (OMH) observes National Minority Health Month to highlight the importance of improving the health of racial and ethnic minorities and reducing health disparities.

OMH is proud to announce the theme for National Minority Health Month 2022: **“Give Your Community a Boost!”** This year’s theme focuses on the continued importance of COVID-19 vaccination, including boosters, as one of the strongest tools we have to end the COVID-19 pandemic that has disproportionately affected communities of color. This theme supplements **the CDC recommendations to prevent COVID transmissions, such as physical distancing, use of well-fitting masks, adequate ventilation, and avoidance of crowded indoor spaces.**

Experiences with racism and discrimination can contribute to mistrust of the healthcare system among racial and ethnic minority groups, leading to mistrust of factual information on vaccines and boosters. Because of this, the **Give Your Community a Boost!** theme also supports the U.S. Surgeon General's recommendations on combating COVID-19 and vaccine misinformation at the individual, community, and organizational levels.

FIND COVID-19 VACCINES OR BOOSTERS NEAR YOU

Find a COVID-19 vaccine or booster: Search **vaccines.gov**, text your ZIP code to 438829, or call 1-800-232-0233 to find locations near you

There are several ways you can look for vaccination providers near you in the United States.

- Visit **Vaccines.gov** to find vaccination providers near you. In some states, information may be limited while more U. S. vaccination providers and pharmacies are being added. Learn more about **COVID-19 Vaccination Locations on Vaccines.gov**.
- Text your ZIP code to 438829 or call 1-800-232-0233 to find vaccine locations near you in the United States.
- Ask your doctor, pharmacist, or community health center if they provide vaccines.
- Check your local pharmacy's website to see if vaccination appointments are available. Find out which pharmacies are participating in the **Federal Retail Pharmacy Program**.
- Contact your **state health department** to find additional vaccination locations in the area.
- Check your local news outlets. They may have information on how to get a vaccination appointment.

****Personal hygiene begins and ends with our hands.** Though we're taught as youngsters to wash our hands before dinner, it's important to remember that germs don't care what time of day it is. Clean hands prevent sickness. So it's especially important to learn the basics about hand hygiene so that you, too, can become a champion hand washer!

VOTER INFORMATION - 2022 PRIMARY ELECTIONS
