## HEALTH AWARENESS FOR JUNE - MEN'S HEALTH MONTH

**Wear BLUE Day 2022:  
Friday, June 17th**

Whether it is your friend, brother, dad, boyfriend, spouse, or boss, show them you care about them and their health by **wearing blue**. If Friday of Men's Health Week doesn't work for you then pick any other day of the year and start a fun **Wear BLUE** day at work.

Host a **Wear BLUE** day to raise awareness and money for education about men's need to seek **regular checkups, or testicular cancer education, prostate cancer education, or other health issues that affect men. (Cardiovascular disease, skin cancer, lung cancer, diabetes, gout, and more.)**

Men live sicker and die younger. **Wear BLUE** was created by Men's Health Network to raise awareness about the importance of male health and to encourage men to live longer and healthier lives.

It means raising awareness of making healthy lifestyle choices, making regular annual visits to the doctor, getting educated on heart disease or diabetes, starting general health conversations with their male friends, and much more. The information, tools, and resources on this website can help you plan an impactful **Wear BLUE** event where you live, work, play, and pray.

**Wear BLUE** is sponsored by Men's Health Network. Men's Health Network is a national non-profit organization whose mission is to reach men and their families with health awareness messages where they **live, work, pray, and play**.
