"Be completely humble and gentle; be patient, bearing with one another in love. Make every effort to keep the unity of the spirit through the bond of peace." Ephesians 4:2-3 (NIV)

March IS KIDNEY MONTH

Know Your Risk

Even if you feel healthy, if you are over 60 or have risk factors like diabetes, high blood pressure, or heart disease, consider talking with your doctor about getting tested for kidney disease. Your doctor can use your test results to work with you to develop a kidney care plan. Having a plan may reduce your risk for serious health problems, like heart attack and stroke, and give you more healthy moments.
