Remember Your Vote is Your Voice!

Did you know –

What Is A Poll Tax?

- Poll taxes were fixed fees assessed upon eligible voters as a condition of casting a ballot.
- Originally, poll taxes were government revenue-raising measures not directly linked to restricting voting rights.
- Beginning during Reconstruction, the poll tax in the United States was used to prevent Black Americans from voting, especially in Southern states.
- Ratified in 1964, the Twenty-fourth Amendment to the U.S. Constitution declared the poll tax unconstitutional in federal elections.
- In 1966 the U.S. Supreme Court ruled that the states could not levy a poll tax as a prerequisite for voting in state a

OLD RELIGIOUS MATERIALS

UCMBC and the Writing Your Life Story Ministry would like to take this opportunity to express our gratitude to all of you who so willingly donated Bibles, Sunday School materials, devotionals and other Christian literature to Love Packages of Decatur, Alabama to be distributed to third world countries so that others will have ready access to God's Word. You may continue to drop off materials in the **Marked Donation Box in the Fellowship Hall**. -- For more information and to watch the video visit <https://lovepackages.org>.

BLACK HISTORY IS AMERICAN HISTORY

Pioneering Olympic Medalist - Wilma Rudolph

Nicknamed "Skeeter" for her famous speed, Rudolph qualified for the 1956 Summer Olympic Games in Melbourne, Australia. The youngest member of the U.S. track and field team at age 16, she won a bronze medal in the 400-meter relay. After finishing high school, Rudolph enrolled at Tennessee State University, where she studied education. She also trained hard for the next Olympics.

Held in Rome, Italy, the 1960 Olympic Games were a golden time for Rudolph. After tying a world record with her time of 11.3 seconds in the 100-meter semifinals, she won the event with her wind-aided mark of 11.0 seconds in the final. Similarly, Rudolph broke the Olympic record in the 200-meter dash (23.2 seconds) in the heats before claiming another gold medal with her time of 24.0 seconds. She was also part of the U.S. team that established the world record in the 400-meter relay (44.4 seconds) before going on to win gold with a time of 44.5 seconds. As a result, Rudolph became the first American woman to win three gold medals in track and field at a single Olympic Games. The first-class sprinter instantly became one of the most popular athletes of the Rome Games as well as an international superstar, lauded around the world for her groundbreaking achievements.

Other Olympic Firsts -

- In 1908, after winning the 4 x 400 meter relay, **John Taylor became the first African American** to win gold in the Olympics.
- And in 1948, **Alice Coachman became the first Black woman** in the world to win an Olympic gold medal while competing in the high jump.
- **George Coleman Poage became the first Black person** to earn a medal at the Olympic Games in 1904. He was a hurdler.

“Equal means getting the same thing, at the same time, and in the same place.”---Thurgood Marshall

Glory to His Name

*1. Down at the cross where my Savior died,
Down where for cleansing from sin I cried,
There to my heart was the blood applied;
Glory to His Name!*

Refrain:

*Glory to His Name,
Glory to His Name;
There to my heart was the blood applied;
Glory to His Name!*

*2. I am so wondrously saved from sin,
Jesus so sweetly abides within,
There at the cross where He took me in;
Glory to His Name!*

*3. O precious fountain that saves from sin,
I am so glad I have entered in;
There Jesus saves me and keeps me clean;
Glory to His Name!*

*4. Come to this fountain so rich and sweet,
Cast thy poor soul at the Savior's feet;
Plunge in today and be made complete;
Glory to His Name!*

Health Awareness for SEPTEMBER

September is National Sickle Cell Awareness Month, designated by Congress to help focus attention on the need for research and treatment of sickle cell disease.

WHAT?

Sickle cell disease (SCD) is an inherited blood disorder in which red blood cells may become sickle-shaped and harden. For a baby to be born with sickle cell disease, both parents must carry a sickle cell trait or genes for another hemoglobin like HbC, HbE or beta thalassemia. Sickle cell disease is not contagious, and there is no universal cure.

The Facts

- About 1 in 13 African Americans carry the sickle cell trait, and many do not know they have it.
- An estimated 100,000 people in the U.S. have SCD.
- Approximately 2,000 babies are born with SCD annually in the U.S.
- On average, diagnosis is made at birth.
- People of many ethnic backgrounds can have SCD.
- Latinos have the second most common incidence in the U.S.

September is Prostate Cancer Awareness Month

Prostate cancer is the [most common](#) type of cancer (other than non-melanoma skin cancer) diagnosed in men in the United States. Furthermore, it's the second leading cause of cancer deaths in men, after lung cancer, in the United States.

Health Awareness for OCTOBER

It is hard to believe that we are nearing the month of October. Each year here at the church, we highlight Breast Cancer Awareness. The importance of this event is highlighted by the following facts.

1. Breast cancer is the most frequently occurring female cancer after skin cancer.
2. One in eight women (about 12%) will develop invasive breast cancer during her lifetime.
3. A woman is diagnosed with breast cancer every two minutes in the U.S.
4. Of women diagnosed with breast cancer, 76 percent have NO known risk factors.
5. Although rare, men are also at risk for breast cancer.

The main focus for this year is the importance of yearly mammograms. Check with your PMD on when to schedule your test.

Let's show unity on this matter by once again wearing your pink attire on the second Sunday in October. Men are welcome to wear blue as a show of solidarity. Show up on **PINK SUNDAY**. Diana Douglas, Wellness Ministry Coordinator (256) 682-4545
