## **Pastor's Welcome**

*Lo, children are a heritage of the LORD: and the fruit of the womb is his reward. Psalm 127:3*

Dear Parents,

I would like to extend a cordial welcome to you. It is a joy to see parents obeying God's command to educate our children and we are delighted to have a part in that decision. The Scripture says in Deuteronomy 6: 1, 7:

*Now these are the commandments, the statutes, and the judgments, which the LORD your God commanded to teach you, that ye might do them in the land whither ye go to possess it: And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up.*

Our staff is here to provide assistance in educating your children emotionally, academically, and spiritually while providing a healthy, safe and happy Christian environment. We provide competent, concerned people who understand the importance of good nutrition, exercise, and relaxation as they relate to your children's growth and development.

Our facility is always open to you and we welcome your visits. Any questions or comments may be directed to the Union Chapel Child Development Center Director at 256-852-4082.

Yours in Christ,

Dr. O. Wendell Davis, Pastor

Proverbs 22:6 tells us: "Train up a child in the way he should go: and when he is old he will not depart from it." It is our intention to help you keep God's commandments regarding educating your children.

This handbook should answer most of your questions about our service. Please keep this handbook and refer to it often. If any revisions need to be made, they will be given to you to be added to this book. You will be required to sign that you have received a copy of the handbook.

If there are any questions, please don't hesitate to ask. You may stop by the office, call, or make an appointment. Together, we can make this a rewarding and enriching experience for your children.

# ***Philosophy of Education***

***“And ye shall know the truth, and the truth shall make you free.”***

***John 3-32***

The rationale for the existence of the Union Chapel School System (UCCDC, UCCA and UCBC) and the reason that parents continue to plan, work, pray and sacrifice is the same today as it was over 70 years ago—they accept the call to joyfully obey God's command to do their best to see that their children are educated by dedicated, Christian teachers, and to live according to the will of God in service to Jesus Christ, His Church, and the community. The foundation for all true education is triangular—the home, Church, and Christian school are all based on the teachings of the Holy Scriptures. We believe that the Bible is the infallible Word of God and presents a reliable and unmistakable account of the entire human situation. We believe that God created heaven and earth and all living creatures, and that He created human beings in His own image and appointed them caretakers (stewards) of all that He has made.

Union Chapel M B Church Child Development Center derives its authority from the family. God gave parents the responsibility of educating their children (Proverbs 22:6; Ephesians 6:14). Union Chapel Missionary Baptist Church, as an assembly of believers, has established Union Chapel M B Church Child Development Center as an extension of the educational processes of our Church families, providing a supportive basis of encouragement as they seek to fulfill their God-given responsibilities (Proverbs 19:27, Jeremiah 10:2). As a congregation, we have further opened this ministry to other families in our community who are seeking a similar Christ-centered and academically-challenging education for their children.

We desire that students learn to view everything through the eyes of God as revealed in the Scripture, so a truly Christian education must be Christ-centered rather than student or teacher-centered. Jesus Christ must be at the center of all that is believed, said, and done. He is the source of all wisdom and knowledge (John 14:6; Colossians 2:3, 8-10).

## **MISSION STATEMENT**

Union Chapel M. B. Church Child Development Center is a Christ-centered school that provides child care and academics, for the sake of fulfilling the church's God-ordained role in carrying out the Christian education mandate in Deuteronomy 6:7, Proverbs 22:6, and 2 Timothy 3: 15—17.

Our goal is to assist in educating your children emotionally, academically, spiritually and socially in a safe, healthy and happy Christian environment.

**THEME:** "We Are All Stars" – Psalm 174:4

## **ELIGIBILITY**

Union Chapel M. B. Church Child Development Center is open to the entire Tennessee Valley community and does not have any restriction on race, creed, or religion. ## **HOURS OF OPERATION**

Union Chapel Child Development Center hours are from 7:00 a.m. to 5:30 p.m. Monday through Friday, except scheduled holidays.

The Center is scheduled to close at 5:30 p.m. We ask parents to cooperate in picking up their children no later than 5:30 p.m. If, for some emergency a parent should be delayed, please call the Center and inform the office that you will be late. A late charge will be assessed. While we understand that emergencies do arise, we request that parents keep in mind the 5:30 p.m. closing time. The Center is covered to offer care only to that hour and staff are hired until that hour. Continuous tardiness to pick up a child on the part of a parent or parent designee may necessitate our requesting that the child be withdrawn from the Center.

The computer clock is the official timepiece. Please synchronize your watch with this clock.

## **HOLIDAY SCHEDULE**

The Center will be closed in observance of the following holidays:

<b>New Years Day</b>	<b>1 day</b>
<b>Martin Luther King Day</b>	<b>1 day</b>
<b>Good Friday</b>	<b>1 day</b>

<b>Independence Day</b>	<b>1 day</b>
<b>Labor Day</b>	<b>1 day</b>

## **PROGRAM INFORMATION**

### **Nursery**

Pupil Staff Ratio (6:1)

We have developed a program dedicated to providing a nurturing and loving atmosphere designed to meet each child's individual needs. A healthy nursery is fostered in a trusting relationship established between each child and their teacher. Infants will be allowed to form and follow their own normal sleep and feeding schedules. Potty training will not be initiated in the infant room. A daily report is provided that lets you know how your child's day was. It included feeding information, changing times, and items that are needed.

### **Toddler I**

Pupil Staff Ratio (8:1)

Through exploration, story time, and songs, our Toddler I program provides a safe learning environment while helping children to develop to their maximum potential. In Toddler I, our children work from one workbook: Nursery Arts & Crafts. A daily report is provided that lets you know how your child's day was. It included feeding information, changing times, and items that are needed. Toddlers will participate in programs and activities such as arts and crafts, music, exercise, and free play. Activities are designed to provide opportunities for:

1. Walking, crawling, and climbing
2. Manipulative experience to develop large and small muscles and motor/perceptual skills
3. Increasing attention span through group and individual activities
4. Developing speech and language skills
5. Repetitive play to practice recently acquired developmental skills
6. Independent functioning and attainment of self-help activities

## **Toddler II**

### **Pupil Staff Ratio (9:1)**

In Toddler II, the children work out of three workbooks: Arts & Crafts with button Bear, Child Art for Two's, and Learning Numbers with Button Bear. Our Toddler II program is designed to stimulate the child's development in the areas of language, creativity, cognitive learning, and emotional, social, and physical growth. This gentle nurturing learning environment encourages creativity and interest from each child as they are guided to develop a positive attitude towards learning. A daily report is provided that lets you know how your child's day was. It included feeding information, changing/potty times, and items that are needed.

## **K-3**

### **Pupil Staff Ratio (11:1)**

Our K-3 program uses five workbooks: Preschool Coloring Sheets, Letters and Sounds, Numbers and Skills with Button Bear, Child Art, and Arts & Crafts with Amber Lamb. Each day, the children experience creative play, story time, art time, music and movement, language, concept development activities, and center time that will aid in education. Activities and schedules will be planned to promote cooperative play, positive peer relationships, understanding others, and ability to handle and express their feelings in a positive and acceptable manner. Equipment, activities, and space will be provided for perceptual/motor coordination and the development of the large and small muscles. A daily report is provided that lets you know how your child's day was. It included feeding information, potty times, and items that are needed.

\*The Abeka curriculum promotes good language and listening skills, develops Christian character traits, and develops children's knowledge in a variety of areas.

\*Studies have shown that children's positive engagement with teachers relate to gains in cognate, social, and emotional development. Teachers will create lessons, songs, games, and activities to make whatever activity their own. Creativity also fosters mental growth in children by providing opportunities for trying new ideas and new ways of thinking.

## **STAFF SKILLS AND QUALIFICATIONS**

### **PARENT-STAFF COMMUNICATION**

1. If parent(s) or guardian(s) wishes to have a conference with any staff member, an appointment must be made at a time that will not disrupt the children's activities. To request a conference, please call the UCCDC to schedule an appointment. We welcome the opportunity to partner with parents to solve academic and/or social-emotional concerns.
2. If a staff member working with a child notices any changes in his/her behavior pattern, the parent(s) or guardian(s) will be contacted and an appointment will be set up to discuss the change(s).
3. Parents are expected to write all messages to teachers. Teachers will not accept verbal messages.
4. Parent visitations and conferences are encouraged.

### **PARENT ORIENTATION**

Parent Orientation will be held each year prior to the beginning of the UCCDC school year.

### **VISITORS**

We have an open door policy! Parents and guardians are encouraged to visit; however, we ask that you please report to the Office before entering the classroom. If you wish to visit a teacher, please make an appointment.

### **OPEN HOUSE**

An open house will be held during the year. Written notices will be sent announcing the specifics.

### **SPECIAL OCCASSIONS**

Parents are welcome to send a special treat to school to share with their children's friends/classmates on birthdays or special occasions. For the safety of the children with food allergies, we ask that treats are limited to foods that are clearly labeled with the ingredients.

Gifts must not be brought to school. Parents must get all party plans approved in advance by the administrator and/or teacher. No balloons may be brought to the Center and passed out to other children (DHR regulation). Invitations may not be distributed unless for the entire class.

## **FIELD TRIPS**

Field trips and nature walks are considered an important part of the educational program. Parents are welcome to join us and may be asked to help supervise some of the children. Fees charged are based on the cost of admission and transportation for the vents scheduled on the dates that your child is contracted to attend.

## **HEALTH AND SAFETY**

Our Healthy and Safety is an umbrella for our policies and practices that nurture children and keep them healthy and safe. Staff members undergo a thorough screening and hiring process, including a state-required background check. Staff members who are certified in first aid and CPR certified are present in the Center at all times. Routine fire, tornado, and intruder drills are conducted on a regular basis. In addition, there is an emergency response plan in place.

## **EMERGENCY OPERATION**

**Sick/injured child:** In case of a medical emergency with a child, parents will be notified immediately. If parents cannot be reached or if the situation warrants, 911 will be called for medical emergencies. The parent assumes the financial responsibility for medical treatment and/or transportation by ambulance.

If a child becomes ill during the day, the parent will be contacted (see COVID-19 guidelines).

**Fire:** In the event of a fire, children will be evacuated. Staff members will check the bathrooms, closets, etc., to account for all children. The fire department will be called. Children will be relocated to the church if extensive damage has not been done.

If power, heat, water, or air is temporarily unavailable, the Center will endeavor to remain open—if at all possible. However, if the health or safety of the children is in danger, parents will be notified to pick up their children.

In case the Center must be evacuated, we will follow instructions from the Emergency Management Agency.

**Snow/Ice:** We will follow the directives of the Huntsville City Schools, unless we deem it safer for our staff and student body to remain at the Center. Please check the local news shows, our website, Facebook page or Brightwheel app for closing notices.

**Tornado Warning:** Children will be evacuated to a designated safe area if a warning is issued. It is safer for children and parents to remain at the Center until the warning is over.

## **FOOD AND NUTRITION**

Breakfast, lunch, and snack are provided by Union Chapel CDC. Meals that are provided by the Center are carefully planned to provide children with the necessary nutritional content. Every effort is made to ensure that mealtime is enjoyable and of nutritional value for children. Please be sure to indicate on the enrollment application, as well as inform the office of any food allergies your child may have. If your child has dietary restrictions, you must provide the special food/drink. Please do not send food for your child unless they are on a special diet. Other children may have life threatening allergies that can be triggered by your child's food.

Breakfast is served from 8:00 a.m. until 8:30 a.m. Breakfast will not be served after 8:30 a.m. If you arrive after this time, please provide food for your child. If the teachers have left the cafeteria, you are responsible for staying in the cafeteria with your child (see COVID-19 guidelines).

Lunch is served from 11:00 a.m. until 11:30 a.m. Afternoon snack is served at 2:30 p.m.

\*Nut Free Environment

**NON TABLE FOOD INFANTS:** For those infants not yet on table food, food must be provided from home. Parents must provide all formula. **FORMULA IN BOTTLES MUST ALREADY BE PREPARED.** Feeding bottles must be plastic (glass bottles are not allowed in the Center) and clearly marked with the child's FIRST and LAST names. If your child's bottles or cups are not labeled with your child's full name, they will not be given. **BABY FOOD AND JUICE JARS MUST BE UNOPENED.** Parents will provide eating utensils for the child. Feeding shall be in accordance to the infant's needs, rather than to the hour. Infants will be held for bottle feedings, and allowed to sit in a chair or feeding table when he/she is able to. Bottles will not be propped. The infant will be encouraged to experiment with self-feeding. CDC staff should be advised of any special needs. Written instructions are required.

## **POLICIES AND PROCEDURES**

### **REGISTRATION**

An application must be completed and returned to the office along with the registration fee (where applicable). Upon receipt of the application and fee, your child will be registered based on availability. If current space is not available to meet your needs, your family's name will be placed on a waiting list. We cannot guarantee that a space will be available for your child on the day you desire. Enrollment is based on availability and may be subject to priority enrollment rules of the Center. Families may choose to be on the wait list with payment of a single registration fee including tuition (if applicable). When a space becomes available, the Center will invite you to visit with your child to discuss the enrollment process. The visit will give your child an opportunity to spend time in his/her classroom and possibly be introduced to the children and staff. During the visit, you will have an opportunity to observe, meet with administration to schedule a start date, and review the enrollment process. Registration is required annually.

### **GENERAL ATTENDANCE POLICIES**

Children should not come to UCCDC if they are sick. Please refer to the illness policy section in the handbook for full details about symptoms and illnesses that require children to be excluded from the program. If your child is going to be absent due to illness, please call Union Chapel CDC by 9:00 a.m. that morning.

It is also very important that each child be correctly checked in and out on the Brightwheel app time clock each day. Please be sure that all adults who come to pick up your child have their code and use the Brightwheel app to ensure that your child's times are logged accurately.

### **ARRIVAL AND DEPARTURE PLAN**

Parents should enter the main entrance when bringing or picking up children. Each child must be physically checked in and out of the Center each day on the Brightwheel app **by the parent/guardian or Approved Pickup.**

Children will be released only to parents, legal guardians, or persons whose names are listed as Approved Pick-up. We will not release a child to anyone under 18, unless they are the parent. The names of those

permitted to drop-off/pick up must be specified in writing or a call must be made to the office. Picture identification is required.

**Your child will not be permitted to attend the CDC after 9:00 am without a physician's note.**

### **WITHDRAWAL PROCEDURE**

Parents may withdraw their child from the Center at any time. A two-week written notice is required. Withdrawal and subsequent re-enrollment is subject to space availability and will entail an additional registration fee and contracted rates based on the rate schedule at the time the new contract goes into effect.

The Center is unable to guarantee that space will be available for withdrawn children unless full payment is made during their absence. Children who are asked to leave the Center due to an outstanding tuition balance will be required to pay all outstanding tuition.

Union Chapel CDC reserves the right to dismiss any child who is unable to conform to established rules, displays disruptive behavior consistently, performs aggressive behavior towards others, or whose fees have not been paid.

### **TUITION**

Tuition is due in advance with no deductions for any absences, holidays, illness, or closures due to inclement weather, power outages, or other situations beyond Union chapel Child Development Center's control. If tuition is not paid on the day that it is due, a late fee will be added to the tuition for each day that it is late until it is paid in full. Tuition fees will not be accepted if the late fee is not included in the payment.

When a payment is delinquent for one week, childcare may be suspended until the balance is current and your child's space will not be reserved. Tuition is due regardless of a child's absence for any reason, and is required to hold a child's space.

### **PARKING/ PARKING LOT**

Please park in a parking space. **The space in front of the doors is for emergency vehicles only.** If it is raining, make sure you have an umbrella to keep from getting wet.

Our parking lot can be a busy place at certain times of the day. Please help us in maintaining a safe environment. We offer the following tips and ask for your cooperation.

- Please hold your child's hand in the parking lot.
- Please make sure your child doesn't run ahead of or behind you upon arrival or during pick-up.
- Please walk your child to their classroom. Let the teacher know you are dropping your child off or picking them up. Help your child with their personal items.
- Please do not leave your car running in the parking lot while unattended.
- Please park in the designated parking areas.
- Please drive **slowly** in our parking lot.

## **PHOTOGRAPHS AND PUBLICITY**

Photographs and or video of the children participating in our programs may be taken from time to time and may appear in newspapers, magazines, brochures, or other publicity materials. Your permission for photographs/videos including your child to be used without compensation is part of this agreement.

## **HEALTH REQUIREMENTS**

All immunization records must be up-to-date as required by the Health Department.

A Child Medical Form signed by a doctor must be submitted before a child will be admitted. Medical forms are to be renewed annually.

## **CHILD ILLNESS POLICY**

For the safety of your child and others, we can accept only well children. Parents should exercise every caution and keep their child home should other unusual symptoms occur. If your child is too sick to go outside, he/she is too sick to come to school. We are depending on you to help us maintain this policy.

1. Please keep your child at home if he/she has a fever. If your child becomes ill at school, you will be notified immediately. A child must be free of fever (99.1 – up) and diarrhea (3) in 24 hours before returning to the UCCDC.
2. The DHR requires parents of all children in child development centers to pick up or arrange for another designated person to pick them up when sick.
3. If you have reason to believe that your child has a communicable disease, please keep him or her at home until you have the doctor's assurance that your child is no longer contagious. All communicable diseases should be reported to the UCCDC.
4. All children must have updated immunization records.

Our Child Illness Policy is based upon the standards developed by the American Academy of Pediatrics. Union Chapel CDC understands that it is difficult for a parent/guardian to leave or miss work; therefore, it is suggested that alternative arrangements be made for occasions when children must remain at home or be picked up due to illness. Exclusion from the Center is sometimes necessary to reduce the transmission of illness or because the Center is not able to adequately meet the needs of the child. It will be necessary to exclude them from the childcare for the following reasons:

- Illness that prevents the child from participating comfortably in program activities.
- Illness that results in a greater need for care than our staff can provide without compromising the health and safety of other children.
- Illness that poses a risk of spreading harmful disease to others.
- Fever over 99.1
- Behavior change or other signs and symptoms such as sore throat, rash, vomiting, diarrhea, lethargy, irritability, constant crying, yellow nasal discharge or discharging eyes or ears or difficulty breathing.

Children need to remain home for 24 hours without symptoms before returning to the Center. This means

that the child needs to remain out of the Center for the remainder of the day he/she is sent home and the following day, unless the Center received a note from the child's medical provider stating that the child is not contagious and may return to the Center. In the case of a (suspected) contagious disease, rash, or continuing symptoms, a note from the child's medical provider may be required before returning.

## **MEDICATION**

Every child has an occasional need for medication. We encourage parents to discuss with your child's medical provider dosing schedules or once-a-day regimens that can be administered at home.

All medication (including non-prescription acetaminophen and antihistamines, as well as all ointments, lotions, sunscreens, insect repellent, and remedies for diaper-rash, etc.) will require a parent's or guardian's signed Authorization for Administering Medication/Medical Procedures form.

- Non-prescription medication necessary for more than three (3) days will also require a written order from the child's medical provider or nurse practitioner/physician's assistant.
- All medication –prescription and nonprescription – must be brought to the Center in the original container and labeled with the child's full name, instructions (precise dosage, time to be administered), current date, and name and telephone of physician, where necessary. Medication spoons and other dosage instruments must be provided and be labeled with the child's name (medication cannot be given without this).

All medications must be handed directly to the Center's administration. Please do not leave medication –including ointments, lotions, and lip balms – in lunch bags, backpacks, or a child's cubby.

- Please note that we are unable to administer expired medications of any kind.

Prescription medicine will be given to your child under the following conditions:

1. Parent or doctor must have given the medicine to the child for at least 48 hours, unless permitted by a doctor to return earlier.
2. Medicine must be in its original container with a childproof cap and labeled with the doctor's and child's name.
3. Authorization form must be filled out before medicine will be administered.

Any changes in medication/dosage require a new Authorization for Administering Medication/Medical Procedures form and, where pertinent, an updated prescription or note from the child's medical provider.

13. If your child is removed from the UCCDC and returns during the year, another registration fee will be charged.
14. Childcare Expense Statements for taxes will **not** be released to families with delinquent accounts. Tax identification numbers will not be given out over the telephone. Income tax information will be available by January 31.

### **CLOTHING AND PERSONAL BELONGINGS**

Children should dress in comfortable **play** clothing. Parents must provide extra sets of clothing in case of an accident. Please include extra socks and a pair of shoes in the extra set of clothing. Because of space limitations, please do not send bags larger than 11" x 14". Extra clothing can be put in a gallon zip lock bag labeled with the child's name and left at the Center until needed. If your child has an accident and does not have a change of clothes, you will be called to bring clothing for your child. The Union Chapel Child Development Center will not be responsible for lost or misplaced items at our facility.

**All items (clothing, bags, sheet bottles, etc.) must be labeled with the child's full name.**

Outdoor play is an important period in your child's day. Therefore, children should be dressed for the appropriate weather conditions. Children will go outside if the weather permits. Administrators may give permission for students to remain inside. Please do not put sandals or open-toed shoes on your child. These shoes can cause injuries, especially on the playground. Children love dirt and will get dirty. Please keep this in mind when dressing your child. If your child has clothing you do not want to get dirty, including shoes, please don't send him/her dressed in them.

The Department of Human Resources requires that children bring a small sheet and a cover sheet to use at naptime. Parents must take responsibility for carrying the bedding home each Friday for laundering and returning them on Monday. **No laundry service is provided by the Center.** Crib sheets are provided for infants only.

Union Chapel Child Development Center is not responsible for items left at the Center.

### **GUIDANCE AND DISCIPLINE**

Discipline is a necessary part in your child's development. This will require a joint effort on the part of the parents and the Union Chapel CDC. Discipline will be used to help children grow, mature, and develop self-confidence. Childcare workers will use strategies and methods to deter discipline issues.

- 1 . Please assure your child that school will be a pleasant experience.
- 2 . Limits or rules will be few and stated so that the child will understand them.
- 3 . The staff will agree on acceptable and unacceptable behavior or on limits set.
- 4 . Expected behavior will be on the child's level.
- 5 . Discipline will be consistent and fair.
- 6 . Punishment will consist of withdrawal from group activities, sitting in a chair, and/or withdrawal of privileges.
- 7 . A kind, firm voice will be used.
- 8 . Parents will be notified of any consistent behavior problems concerning their child.
- 9 . Any serious conflicts, which occur when working with the child, will be discussed with the parents.

The following disciplinary procedures are unacceptable:

- ◆ Denial of food, bathroom procedures, or naps
- ◆ Corporal/physical punishment
- ◆ Verbal abuse, threats, or derogatory remarks about the child or his/her family
- ◆ Punishments which are humiliating, shameful, or frightening to the child

***All efforts will be made to address inappropriate behavior. A parent conference may be requested to discuss repeated offenses. Parents may be called to pick up students after all options have been exhausted.***

### **CHILD ABUSE AND NEGLECT**

In the event of suspected child abuse or neglect, the teacher and the administrator are required by law to report the same to the DHR, local chief of police or sheriff.

### **CHILD CUSTODY**

So that all parents/guardians feel equally welcome at the Center, Union Chapel CDC strives to remain neutral in all custody disputes. Legally, unless there is an active restraining order, court order, or court ordered visitation schedule on file at the Center that designates otherwise, the Center cannot deny a parent or guardian access to his or her child. We require all families to resolve their differences or unsettled court orders through legal channels. Ultimately, Union Chapel CDC's primary concern is the safety of all children and staff at the Center. For the reason, the Center cannot be used as a place for scheduled visitations, nor can we be responsible for supervising parent or guardian visits.

### **FAMILY BEHAVIOR**

If Union Chapel CDC has reasonable cause to suspect that any person picking a child up is under the influence of drugs or alcohol, or is physically or emotionally impaired in any way and may endanger the child, we may refuse to release the child to that person. If this occurs, we will request that another adult (parent/guardian or someone else listed) pick up the child or we will call the police to prevent potential harm to your child. This will be done for the protection of your child.
