To provide awareness and information regarding these important topics the information listed below highlights a few of the safety awareness initiatives at UCDH.

- The Campus Security Program is published on the College's Consumer Information page linked to the main website at www.ucdh.edu. Specifically the link to the consumer information page and related information. [Consumer Information/Campus Security and Safety](#)

Careers Unlimited does not have on-site campus police or law enforcement personnel and therefore will not be held responsible for acts of theft, vandalism, individuals that may trespass upon the property, or engage in any other illegal or unlawful activities. Students who wish to have someone accompany them to any other location on campus may request an escort at the front desk of the dental clinic/building between the hours of **8 a.m. and 5.p.m. Monday through Thursday**. The college strives to maintain a safe environment for everyone on campus. In the case of an emergency, dial 9-1-1 for local emergency services. Some suggestions to increase safety on campus are:

All students and visitors are prohibited from carrying anything that could be used as a weapon on their person or in their vehicles or concealed within their immediate control or as defined in Utah State statutes. Weapons include any instrument that could cause death or serious injury.

DRUG-FREE ENVIRONMENT POLICY

Careers Unlimited, as a recipient of federal funds, is subject to the Drug-Free Schools and Communities Act, which requires the implementation of a program to prevent the use and abuse of alcohol and illegal drugs. If a student violates the standards set forth in the Drug-Free Environment and/or Rules of Conduct Policies, sanctions might also result in the loss of financial aid and/or referral to the appropriate authorities for prosecution.

The use, abuse, or distribution of illegal drugs (including, but not limited to, chemical inhalants, stimulants, pain killers, methamphetamines, peyote, and hallucinogenic agents), and/or excessive use or abuse of legal or over the counter or prescription medications while enrolled in the dental hygiene program is prohibited. All students, faculty, and staff on the Careers Unlimited campus may be subject to random drug testing from time to time at the college's expense. Anyone found in violation of this policy may be subject to dismissal, termination, or expulsion from the college and/or the program. Anyone who is taking prescription or over-the-counter medications that may affect any of their cognitive, motor, or sensory functions while on campus must inform faculty before entering the dental clinic, operating any equipment, or attending class. The on-campus use of tobacco (in any form) or alcohol is strictly prohibited, and use of these substances is discouraged whether on or off campus. Note: The UCDH campus is a smoke free environment in accordance with state guidelines.

ADVISING

Advising is available to all students at the college. These services include individual and group assistance in academic and career related matters; however, the college does not employ licensed marriage and family therapists, academic/career counselors, or mental health counselors. The objective behind student advising is to facilitate personal and professional development while assisting students in realizing their full potential. All personal (non-school related) counseling must be sought individually by each student and will not be paid for by the College for any reason, nor will the College assume any liability related to related professional and licensed counseling. *See below for lists and links under Resources

UTAH'S LAWS GOVERNING DRUGS, ALCOHOL AND TOBACCO USE

Utah has strict laws governing the use of drugs, alcohol, and tobacco, which college students must adhere to. Here's a breakdown:

1. Drugs

- **Controlled Substances:** Possession or use of illegal drugs, such as marijuana (which remains illegal for recreational use in Utah), cocaine, or methamphetamines, is a crime. Penalties include fines, probation, and jail time depending on the severity of the offense.
- **Prescription Drugs:** It is illegal to possess prescription drugs without a valid prescription. Sharing or selling prescription drugs, such as Adderall or opioids, is also a felony.
- **Drug-Free Zones:** College campuses are considered "drug-free zones," which means penalties for drug-related offenses on or near campuses are enhanced.

2. Alcohol

- **Legal Drinking Age:** The legal drinking age in Utah is 21. Possession or consumption of alcohol by those under 21 is illegal and can result in fines, probation, community service, or alcohol education classes.
- **Minor in Possession (MIP):** If a student under 21 is found in possession of alcohol, they may face criminal charges. Having alcohol in dorms or other campus housing can also lead to disciplinary action from the school.
- **Driving Under the Influence (DUI):** Utah has a very strict DUI law, with a blood alcohol content (BAC) limit of 0.05%, the lowest in the nation. DUIs can result in license suspension, heavy fines, and even jail time.
- **Open Container Laws:** It is illegal to have an open container of alcohol in a vehicle, whether or not the driver is intoxicated.

3. Tobacco and E-Cigarettes

- **Legal Age for Tobacco and Vaping Products:** The legal age to purchase tobacco and e-cigarettes is 21. Possession by minors (under 21) can result in fines.
- **Smoking and Vaping on Campus:** Most college campuses have policies against smoking or vaping in or near campus buildings, and some have entirely smoke-free or vape-free campuses. Violating these policies can lead to fines or disciplinary actions.

4. Medical Marijuana

- Utah legalized medical marijuana in 2018, but it is strictly regulated. Students must have a valid medical cannabis card issued by the state. However, many colleges may still prohibit the use of marijuana on campus, even for medical purposes.

5. Public Intoxication and Disorderly Conduct

- Public intoxication, even for those over 21, is illegal and can lead to arrest. Disorderly conduct due to intoxication on or off-campus can result in criminal charges or college disciplinary actions.

MISDEMEANOR AND FELONY CONVICTIONS

Students that are arrested and/or convicted of a misdemeanor or felony while enrolled in the program, must inform the program director and administration at the time of the conviction. In many states, **convictions may jeopardize a student's ability to obtain dental hygiene licensure.** Lack of disclosure of any arrest while enrolled in the program or conviction may be grounds for dismissal, termination, or expulsion from the college/program.

COPYRIGHT INFRINGEMENT

Unauthorized distribution of copyrighted material, including peer-to-peer file sharing is prohibited and may be subject to civil and criminal liabilities. Copyright infringement is the act of exercising, without permission or legal authority, one or more of the rights granted by the copyright owner by section 106 of the Copyright Act. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement. Penalties for copyright infringement include civil and criminal penalties and/or monetary damages. For more information, please visit the U.S. Copyright Office website at www.copyright.gov. Careers Unlimited policy prohibits copyright infringement and any student found guilty of infringement will be subject discipline and/or expulsion.

EMERGENCY PROCEDURES

In the event that an emergency occurs on campus, **9-1-1** should be called immediately. Students are provided course content and protocols for medical emergencies within the curriculum. If the emergency has an established institutional protocol the student should follow that protocol exactly. If you are not aware, or do not know what the established college protocol is for any given situation, seek out the nearest college administration member immediately.

TIMELY NOTIFICATION OF SECURITY/EMERGENCY EVENT AND EVACUATION

Security/emergency protocols are reviewed at new student orientation required of all incoming students. If an event arises that Careers Unlimited constitutes an ongoing or immediate threat, either on campus or the surrounding area, a building-wide notification and instructions will be issued via intercoms located throughout the facility. Depending upon the circumstance, e-mails and posted notices may also be utilized. If evacuation of the building is necessary, students, staff, and visitors will be directed to assemble in the parking lot. Anyone with information that might require a campus-wide warning should report the circumstances to President Molen, in person or by phone at (801) 426-8234.

DRUG/ALCOHOL ABUSE DISCIPLINARY PROCESS

The College disciplinary process will include a prompt, fair and impartial investigation and resolution process. This process provides that:

- If the accuser and the accused both attend Careers Unlimited, both have the opportunity to have others present during the disciplinary proceedings.
- The accuser and the accused will be notified simultaneously in writing of the outcome and results of any disciplinary proceedings.

SANCTIONS

The College may impose sanctions for students who are found responsible for assaulting or harassing another member of the College community, including suspension, expulsion or termination. Please review the Expulsion/ Termination and Rules of Conduct Policies for more information. In addition, sexual assault, domestic violence, dating violence and stalking may be found to be criminal acts which may also subject the perpetrator to criminal and civil penalties under federal and state law.

NON-RETALIATION

Retaliation is an adverse action, treatment, or condition taken against an individual for complaining of discrimination (including sexual harassment) or participating in a discrimination complaint process, regardless of the outcome of the investigation or complaint. College Policy strictly prohibits Retaliation.
