

SKATEWORKS Advanced Series Figure Skates

Riedell 735 Bronze Star

Lighter than ever before, the **Riedell 435 Bronze Star** ice skating boot is designed with firm support and enhanced fit for superb comfort. The Bronze Star is enhanced with double reinforced TriFusion support for durability along with all leather soles and mid-soles for solid foot foundation. Suede microfiber linings provide a beautiful look and an awesome feel.

NOTE: Blade not included.

Boot Material: Leather

Color: Black, White

Price Range: \$499 - \$519

Support Rating: 65-80 (Firm)

Tongue Rating: 4.0-5.0 (Extra Firm)

Riedell 875 Silver Star

The sleek new **Riedell 875 Silver Star** ice skating boot is redesigned for strength and comfort. Double reinforced TriFusion provides just the right ankle support. Perforated microfiber lining for smooth comfort and breathability. Leather soles with cork heels offer lightweight durability. Comfortable forefoot padding and quilted tongue offers improved comfort.

NOTE: Blade not included.

Boot Material: Leather

Color: Black, White

Price Range: \$615 - \$629

Support Rating: 85-100 (Extra Firm)

Tongue Rating: 4.0-5.0 (Extra Firm)

Riedell 1375 Gold Star

The **Riedell 1375 Gold Star** contains traditional durable top grain leather lining, double layer TriFusion reinforcement and a third layer of reinforcement that can be heat molded for the perfect fit. TriFusion support balanced with the comfort of foam padding and glove like fit make Golds Star boots a top competitor's top choice. This boot features a taller toe box and internal forefoot flex for foot comfort on those perfect landings. The Gold Star has an innovative cork/leather heel that provides additional weight reduction, optimal support and impact absorption

NOTE: Blade not included.
